

# CHARITY LUNCHEON WITH A JOURNEY OF SONGS AND ARIAS

Welcome to a programme filled with some of the most famous arias from the operatic repertoire including arias from amongst others Don Carlos, L'elisir d'Amoure, and Don Pasquale, as well as lesser known gems from the world of art-songs.

The baritone Erlend Sander has during more than ten years sung, researched and performed songs from composers from all over Europe and the United States, and would like to invite you to a smörgåsbord of some of the nicest songs and arias in the repertoire.
