

## Valentines love song game

The objective of the game is to collect four love songs in the category that your team represents (e.g. the **Lonely Hearts** team is collecting Beatles songs). For each song the team collects, they are given a 'love token' (a fish).

Each team calls out a number from the grid and the game master, St Valentine, reports which category that number is in. If it is the right category for that team, a verse from the love song that matches that number will be read out by an assigned reader and all teams should cross out that number on their grid so they don't choose it again by mistake. If the category is wrong for the team that chose the number, no verse is read out and it is the next team's turn.

Teams are also advised to circle any number called out by another team if it actually belongs to your category, so you can call it out when it is your turn.

The first team to get four love tokens is the winner of the game, and the game is over when all teams have their tokens and all verses have been read.

**I Do, I Do, I Do, I Do, I Do**

(ABBA)

Love me or leave me, make your choice but believe me  
I love you  
I do, I do, I do, I do, I do  
I can't conceal it, don't you see, can't you feel it?  
Don't you too?  
I do, I do, I do, I do, I do

**Waterloo**

(ABBA)

My, my, I tried to hold you back but you were stronger  
Oh yeah, and now it seems my only chance is giving up the fight  
And how could I ever refuse  
I feel like I win when I lose  
Waterloo - couldn't escape if I wanted to  
Waterloo - knowing my fate is to be with you  
Waterloo - finally facing my Waterloo

**Lay All Your Love On Me**

(ABBA)

I wasn't jealous before we met  
Now every woman I see is a potential threat  
And I'm possessive, it isn't nice  
You've heard me saying that smoking was my only vice  
But now it isn't true  
Now everything is new  
Don't go wasting your emotion  
Lay all your love on me

**Two For The Price Of One**

(ABBA)

*album: The Visitors (1981)*

I can't forget what I read: "If you dream of the girl for you  
Then call us and get two, for the price of one"  
I called the number and a voice said, "Alice Whiting"  
The voice was husky and it sounded quite exciting  
I said, "I read your ad, it sounded rather thrilling  
I think a meeting could be mutually fulfilling  
Why don't we meet for a chat  
The three of us in my flat?"  
She said, "I'm sure we must be perfect for each other  
And if you doubt it you'll be certain when you meet my mother"

\*\*\*\*\* LONELY HEARTS \*\*\*\*\*

**Hey Jude**

**(The Beatles)**

Hey Jude, don't make it bad.  
Take a sad song and make it better.  
Remember to let **me** into your heart,  
Then **we** can start to make it better.

**All My Loving**

**(The Beatles)**

I'll pretend that I'm kissing  
The lips I am missing  
And hope that my dreams will come true  
And then while I'm away  
I'll write home every day  
And I'll send all my loving to you

**I Need You**

**(The Beatles)**

I don't need a lot of things, I can get by with nothing  
With all the blessings life can bring, I've always needed something  
But I've got all I want when it comes to loving you  
You're my only reason, you're my only truth  
I need you like water, like breath, like rain  
I need you like mercy from heaven's gate

**When I'm Sixty-Four**

**(The Beatles)**

I could be handy, mending a fuse  
When your lights have gone  
You can knit a sweater by the fireside  
Sunday mornings go for a ride  
Doing the garden, digging the weeds  
Who could ask for more?  
Will you still need me, will you still feed me  
When I'm sixty-four?

\*\*\*\*\*

**CUPID'S BOW**

\*\*\*\*\*

**Time After Time**

**(Margaret Whiting)**

Time after time I tell myself that I'm so lucky to be loving you.  
So lucky to be the one you run to see in the evening, when the day is through.  
I only know what I know the passing years will show you've kept my love so young, so new.  
And time after time you'll hear me say that I'm so lucky to be loving you.

**All of Me**

**(John Legend)**

How many times do I have to tell you even when you're crying you're beautiful too?  
The world is beating you down, I'm around through every mood.  
You're my downfall, you're my muse, my worst distraction, my rhythm and blues.  
I can't stop singing, it's ringing, in my head for you.

My head's under water but I'm breathing fine. You're crazy and I'm out of my mind!  
Cause all of me loves all of you. Love your curves and all your edges, all your perfect imperfections.  
Give your all to me, I'll give my all to you, you're my end and my beginning,  
even when I lose I'm winning. 'Cause I give you all of me and you give me all of you.

**The First Time Ever I Saw Your Face**

**(Roberta Flack)**

The first time ever I saw your face I thought the sun rose in your eyes  
And the moon and the stars were the gifts you gave  
To the dark and endless skies, my love  
To the dark and empty skies

**Napoleon to Josephine**

**(Colin Curzon)**

Though I have an admiration for your charming resignation  
(there appears no limitation to your constant animation)  
And deep appreciation of your warm cooperation,  
And I find a consolation in the pleasing contemplation  
Of a coy anticipation quite beyond articulation.  
Yet forgive the implication if I plead disinclination  
For the sweet exhilaration of a brief amalgamation.  
I'll tell you in a phrase, my sweet, exactly what I mean  
  
- Not tonight Josephine!

\*\*\*\*\* ONE NIGHT STANDS \*\*\*\*\*

**I'll Be Your Baby Tonight**

**(Bob Dylan)**

Close your eyes, close the door  
You don't have to worry any more  
I'll be your baby tonight  
Kick your shoes off, do not fear,  
Bring that bottle over here.  
I'll be your baby tonight.

**Light My Fire**

**(The Doors)**

You know that it would be untrue  
You know that I would be a liar  
If I was to say to you  
Girl, we couldn't get much higher  
Come on baby, light my fire  
Try to set the night on fire

**Let's Spend the Night Together**

**(Rolling Stones)**

This doesn't happen to me everyday  
No excuses offered anyway  
I'll satisfy your every need  
And I now know you will satisfy me  
Let's spend the night together  
Now ...

**Two out of Three Ain't Bad**

**(Meatloaf - 1)**

And all I can do is keep on telling you  
I want you (I want you),  
I need you (I need you),  
But there ain't no way I'm ever gonna love you  
Now don't be sad (don't be sad)  
'Cause two out of three ain't bad

\*\*\*\*\* **TRANSPORTED BY LOVE** \*\*\*\*\*

**Brand New Key**

**(Melanie)**

Well, I got a brand new pair of roller skates, you got a brand new key  
I think that we should get together and try them out, you see  
I been looking around awhile, you got something for me  
Oh, I got a brand new pair of roller skates, you got a brand new key

**If You Were A Sailboat**

**(Katie Melua)**

If you were a cowboy I would trail you,  
If you were a piece of wood I'd nail you to the floor.  
If you were a sailboat I would sail you to the shore.  
If you were a river I would swim you,  
If you were a house I would live in you all my days.  
If you were a preacher I'd begin to change my ways.

**Daisy Bell (Bicycle Built for Two)**

**(Harry Dacre, 1892)**

Daisy, Daisy, give me your answer do  
I'm half crazy all for the love of you  
It won't be a stylish marriage  
I can't afford a carriage  
But you'll look sweet upon the seat  
Of a bicycle built for two

**Fly Me to the Moon**

**(Frank Sinatra)**

Fly me to the moon  
Let me play among the stars  
Let me see what spring is like on  
Jupiter and Mars  
In other words, please be true  
In other words, I love you

**Your Song**

**(Elton John)**

Excuse me forgetting but these things I do  
You see I've forgotten if they're green or they're blue  
Anyway the thing is what I really mean  
Yours are the sweetest eyes I've ever seen

**I'd Lie for You and That's the Truth**

**(Meatloaf - 2)**

I'd lie for you and that's the truth  
Move mountains if you want me to  
I'd walk across the fire for you  
I'd walk on the wild for you  
If you'd just believe in me

**Falling in Love Again**

**(Marlene Dietrich)**

Falling in love again  
Never wanted to  
What am I to do?  
I can't help it  
  
Love's always been my game  
Play it how I may  
I was made that way  
I can't help it

**Can't Help Falling In Love**

**(Elvis)**

Wise men say only fools rush in  
But I can't help falling in love with you  
Shall I stay? Would it be a sin?  
Like a river flows, surely to the sea  
Darling, so it goes - some things are meant to be.  
Take my hand, take my whole life, too  
For I can't help falling in love with you

\*\*\*\*\* TRUE LOVES \*\*\*\*\*

**Howard to Bernadette**

*(from the TV series Big Bang Theory)*

If I didn't have you, life would be blue  
I'd be Doctor Who without the TARDIS  
A candle without a wick, a Watson without a Crick  
I'd be cheese without the mac,  
Steve Jobs without the Wozniak  
I'd be an atom without a bomb, a dot without the com  
And I'd probably still live with my mom

**Only You**

**(The Platters)**

Only you can make this world seem right  
Only you can make the darkness bright  
Only you and you alone  
Can thrill me like you do  
And fill my heart with love for only you

**Song for Whoever**

**(The Beautiful South)**

Oh Shirley, oh Deborah, oh Julie, oh Jane  
I wrote so many songs about you  
I forget your name, I forget your name  
Jennifer, Alison, Phillipa, Sue, Deborah, Annabel, too  
  
I love you from the bottom of my pencil case  
I love the way you never ask me why  
I love to write about each wrinkle on your face  
And I love you 'till my fountain pen runs dry

**Never Seen Anything Quite Like You**

**(The Script)**

Well I've seen you in jeans with no make-up on  
And I've stood there in awe as your date for the prom  
I'm blessed as a man to have seen you in white  
But I've never seen anything quite like you tonight
